International Food Protection Training Institute

The blended course consists of Part 1: Online and Part 2: Live-Interactive Online taught by an FSPCA Lead Instructor. Both parts must be completed to obtain the Preventive Controls Qualified Individual (PCQI) Certificate of Training. This blended course option was created by IFPTI to provide an alternative way for individuals to complete the FSPCA Preventive Controls for Human Food course, virtually. Those who have already completed the Part 1: Online course are eligible to attend the IFPTI one-day Part 2: Live-Interactive Online course.

Part 1: Online and Part 2: Live-Interactive Online as a bundled course package for \$750.

- Online Modules (Part 1): Complete on your own, prior to a Part 2 session
- Virtual Classroom (Part 2): Pick One
 - July 3, 2019: 8 am - 5 pm
 - July 12, 2019: 8 am - 5 pm
