

# OSHA-10 TRAINING

JULY 22-23, 2020  
9:00 AM TO 3:00 PM

presented exclusively by the GaMEP

***Through OSHA's Outreach Training Program, OSHA-authorized training provides fundamental safety and health information and education. Workers will be introduced to common workplace hazards, as well as how to recognize and prevent them. The OSHA 10-hour training is ideal for entry level workers, and upon completion workers will receive a U.S. Department of Labor card recognizing their training.***

*Topics typically covered in the OSHA 10-hour include:*

- Introduction to OSHA
- Walking and Working Surfaces
- Emergency Action Plans and Exit Routes
- Fire Protection
- Hazard Communication
- Machine Guarding
- Lockout / Tagout
- Materials Handling and Equipment
- Electrical Safety
- Personal Protective Equipment

**Class is limited to 40 people, so sign up today!**

Cost: \$350 per person - Format: Online
