»»» The GaMEP Philosophy

Our goal is simple and impactful:

- Understand the current state of your teams and company
- Learn about your future goals
- Teach your team to utilize tools and strategies to meet the needs of your organization
- Advance your company's competitiveness and ensure a sustainable future for manufacturing in Georgia

We work with over 800 manufacturers a year conducting on-site projects, training, and making connections to Georgia Tech resources and our partners in the state.
