

Food Safety Cohort Program

I. Implementing Your Food Safety Program

- Food Safety Cohort Introduction
- FSMA Introduction
- Food Safety Program Implementation
- Food Safety Program Elements
- Food Safety Policy Development
- Food Safety Team Establishment
- Product Category for Hazard Analysis
- Product Description and Intended Use
- Flow Diagram and Process
- Documentation and Records

II. Assessing Your Supply Chain Risk

- FDA Food Safety Plan Builder
- Raw Material and Supplier Identification
- Label Review
- Hazard Identification
- Supply Chain Risk Assessment and Mitigation
- FSMA Requirements
- Supplier Approval Process
- Supply Chain Preventive Controls
- Receiving Procedures

III. Building Your Food Safety Plan I

- Food Fraud
- Supply Chain Data for Hazard Analysis
- Potential Hazards Assessment
- Control Points
- Four Preventative Controls Identification
 - Supply Chain Preventive Controls
 - Process Preventive Controls
 - Allergen Preventive Controls
 - Sanitation Preventive Controls
- Critical Limits

IV. Building Your Food Safety Plan II

- Preventive Controls Programs Overview
 - Allergen PC
 - Sanitation PC and Chemical Control
- Preventive Controls Procedures, Worksheets, and Cleaning Schedules
- Monitoring Strategies (Automated Data Management Systems)
- Verification and Validation
 - Paperwork Reviews
- Equipment Calibration
- Corrective Actions Application
- Non-Conforming Product
- Food Safety Plan Review and Reassessment

V. Sustaining Your Food Safety Program

- cGMP Compliance
- Foreign Object Contamination Prevention
- Internal Audit Practice Development
- Preventive Maintenance and Sanitary Design
- Environmental Monitoring Program
 - Plant Zoning
- Test and Hold for Pathogen Testing
- Sanitary Transport
- Food Safety Culture Development and Training

VI. Supporting Programs

- Food Defense Program
- FDA Reportable Food Registry
- Customer Complaints and Returned Product Programs
- Product Identification and Traceability Mapping
- Recall Plan
- Crisis Management
- Unforeseen Issue Management
- Root Cause Analysis
